

Project Homework

Year 1 & 2

Our **Geography** enquiry question this half term is:

What are the countries of the United Kingdom well-known for?

Our **Science** enquiry question is:

How do animals and humans grow into healthy adults?

Choose one – or more - of the tasks below to complete **before the end of the term**.

Create a map

Design and create your own map of the United Kingdom. Can you add the countries and their capital cities.

Famous Landmarks

Draw or build (using Lego, junk modelling, or craft) a famous landmark such as Big Ben, Edinburgh Castle, Snowdonia, or the Giant's Causeway.

Create a flag

Research what the flags of the countries look like. Have a go at drawing / painting / crafting the flag.

Life cycle

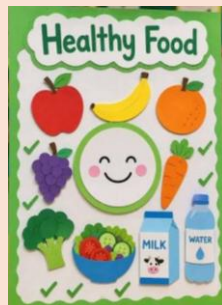

Make or draw your own life cycle of a frog, butterfly or chicken.

Healthy eating

Create your own healthy eating poster.

(linked to an embark award)

Animal fact file

Research an animal of your choice, finding out what their offspring is called, where they live and what they need to survive and grow into a healthy adult. You could include any other fun facts you find out.

Animal Fact File	
Name:	Picture:
Where does it live?	What does it eat?
What does it look like?	What does it do?
Other interesting facts:	

Embark Awards

Can you complete any of these Embark awards this term?

(You may want to pick your own from the list in the front of
your homework folder)

***Remember to bring in or email your evidence to the office to
show you've completed them.***

Family

1. Help to cook a family meal.

Integrity

14. Encourage healthy eating by making a poster.

Teamwork

4. Attend an after-school club for at least 4 sessions.

5. Belong to a team outside of school (football, swimming, dance, cricket, gymnastics, rugby, martial arts etc)

Success

20. Bring in an award that you have won outside of school to share with the class.
